

## A brief history of leadership:

At first: Power was held by the strongest  
power in the ..... until he

..... who held

Of course women held a lot of power  
but that was subtler.

was.....

The ancient Greeks invented Democracy by giving the  .....

to ..... but not .....  
still used today.

Their model for a re..... is

But mainly The Divine Right of .....s prevailed. Leadership meant a  
m..... - a K..... or (reluctantly) Q..... who became leaders

by ..... and relied on a strong ..... to keep them in power.

Today: many countries allow their citizens to

e.....

a g..... as in New Zealand

Some countries still have a

dic..... backed by a

strong .....

Kings, presidents,  
dictators? How do you  
decide what kind to  
have? Couldn't you just  
shoot your way to the  
top?
